

1

00:00:00.633 --> 00:00:01.968

Life doesn't sit still

2

00:00:01.968 --> 00:00:03.636

and neither does your money.

3

00:00:04.170 --> 00:00:05.472

Getting money from here to there

4

00:00:05.472 --> 00:00:06.773

doesn't have to be hard.

5

00:00:06.773 --> 00:00:08.108

Our digital banking tools

6

00:00:08.108 --> 00:00:09.642

are like Uber for your wallet.

7

00:00:10.210 --> 00:00:12.278

Payments are a snap with digital banking.

8

00:00:12.278 --> 00:00:14.147

Whether you need to pay your babysitter

9

00:00:14.147 --> 00:00:15.482

or your cell phone bill,

10

00:00:15.482 --> 00:00:17.117

it's just a few taps away

11

00:00:17.117 --> 00:00:18.852

on the Commerce Bank mobile banking app.

12

00:00:19.686 --> 00:00:21.955

What about that co-worker who picks up the lunch check?

13

00:00:22.789 --> 00:00:24.157

Pay them back the simple way

14

00:00:24.157 --> 00:00:25.525

with a person-to-person payment

15

00:00:25.525 --> 00:00:27.961

through online banking at commercebank.com.

16

00:00:28.461 --> 00:00:30.430

They get an email confirmation of payment,

17

00:00:30.430 --> 00:00:32.532

and you get to skip a trip to the ATM.

18

00:00:32.532 --> 00:00:33.867

Win-win.

19

00:00:34.367 --> 00:00:35.201

While you're at it,

20

00:00:35.201 --> 00:00:36.536

Don't forget to send some extra cash

21

00:00:36.536 --> 00:00:38.138

to the college student in your life.

22

00:00:39.205 --> 00:00:40.640

You can transfer to and from

23

00:00:40.640 --> 00:00:43.076

your accounts at other financial institutions, too.

24

00:00:43.410 --> 00:00:44.177

After all,

25

00:00:44.177 --> 00:00:45.512

it's all your money.

26

00:00:45.912 --> 00:00:47.113

Our money movement tools

27

00:00:47.113 --> 00:00:49.649

make it easy to send money wherever you need it to go.

28

00:00:49.649 --> 00:00:51.184

Anytime. Anywhere.

29

00:00:51.651 --> 00:00:53.987

Even when you wish it would just stay put for a while.
