

Transcript for CommercePremier CONNECT® Video

As a Commerce Premier member,
you can connect with your dedicated

Premier banker
who can help with almost any banking need.

Download the Commerce Bank
Connect app on your smartphone or tablet

If you already have a Commerce Bank online
banking account, use

the same user ID and password
to sign into the Connect app.

Once you've logged in, select the search
icon to find your premier banker.

You can search by either name or location,
and if you don't know their name, no worries.

Any representative in the app
can connect you with your premier banker,

then ask questions and get the solutions
made just for you.
